

At TPS: **Penguins and Polar Bears**

On Friday, March 21, we will enjoy a day filled with exciting, educational, and creative activities at TPS. We will learn about the various types of penguins including the Emperor, Rockhopper, and African penguins. We will also learn about polar bears: what they eat, the types of fur they have, their habitats and daily activities. Students will engage in creative activities, for example, making cloth polar bear and penguin puppets to take home. An animated penguin video, indoor games, and outdoor play will also be provided. A special frozen artic treat will be served in the early afternoon. Please pack a lunch for your child, including a beverage, in a disposable bag with your child's name on it.
